1996-1999 Audi A4 Sedan. The lap belt in 2C has an automatic locking retractor and can be used for car seats - simply pull the belt all the way out, keep it as long as possible as you route the belt through the proper path in your child's car seat, buckle the seat belt, and then feed all the excess belt (while pushing down really hard on the child's car seat) into the hole where the lap ...
