### An Italian Education Tim Parks

This is a main theme of "Italian education". Tim Parks, is an Englishman who sets up a family in Italy. He is well integrated in the Italian society, he commands the language, works as a translator, his wife is Italian, and he lives an Italian lifestyle, and still he watches the process with something of an amazement.

### An Italian Education by Tim Parks - Goodreads

An Italian Education. Writers are always being asked to repeat themselves. I automatically say no. But about a year after declining to write a second Italian Neighbours, I was lying at the beach at Pescara, underneath our sunshade, listening to the kids fooling around and above all the woman under the next sunshade giving extraordinary ...

### An Italian Education - Tim Parks

Born in Manchester, England, he studied English literature at Cambridge University and Harvard. In addition to his own award-winning books, Parks has translated the works of Moravia,

While you might think Pamela Druckerman and Amy Chua invented the foreign-parenting memoir, you'd be wrong. Parks got there earlier, in 1996 to be exact. An Italian Education describes the way Italian families live and how they bring up their children, from the perspective of an English translator-writer married to a local and raising three kids. I found it interesting, enlightening and constantly entertaining.
