Art School International Perspectives On

Why is Art an important subject to be taught in schools? "I think art is important because it lets people be themselves, allow their imagination to run wild, give people the ability to express their opinions and feelings to the world through different art mediums. Art helps inspire people, encourage people, entertain people.

There was a time, not so very long ago, when art schools and ateliers were your only options for learning the art techniques associated with a higher-level art education. Typically providing a strong, foundational background for artists with varied aspirations, traditional schools were (and still are) a fantastic direction to take when seeking out a career in the creative arts.

Teaching international relations through arts means to invent these new perspectives. In this article, I have tried to describe these perspectives. I offered some general guidelines on the aesthetic turn and pedagogy rather than operational lessons that colleagues could or should carry on in their own classrooms (Grayson 2015 ; Lobasz and Valeriano 2015).
