### **Civil Society Unccd**

More and more international non-governmental organizations (NGOs) and civil society organizations (CSOs) are participating in the United Nations system. These CSOs are engaging and partnering with United Nation's conventions, programmes and agencies to create valuable links between the larger United Nations system and stakeholders around the world. CSOs are the voice of grass roots realities.

The UNCCD ensures that the role of civil society in promoting sustainable land use is acknowledged and promoted. Various Articles of the UNCCD promote the active engagement of civil society, for example, to facilitate the participation of local populations in efforts to combat desertification and mitigate the effects of drought and to develop their capacities, especially those of women and youth.
