Maple 13 User Guide

While you can install the single-user version of Maple silently, it is not possible to activate the product at this time. After the silent installation of the single user version of Maple 2020 is complete, from the Start menu, select All Programs, then Maple 2020, then Tools and then Activate Maple 2020.

Maple 2020 Installation and Licensing Guide

Between 1995 and 2005 Maple lost significant market share to competitors due to a weaker user interface. With Maple 10 in 2005, Maple introduced a new "document mode" interface, which has since been further developed across several releases. In September 2009 Maple and Maplesoft were acquired by the Japanese software retailer Cybernet Systems.

Maple 12 getting started guide

Maple syrup is a syrup usually made from the xylem sap of sugar maple, red maple, or black maple trees, although it can also be made from other maple species. In cold climates, these trees store starch in their trunks and roots before winter; the starch is then converted to sugar that rises in the sap in late winter and early spring. Maple trees are tapped by drilling holes into their trunks ...
