Masterminds of Programming: Conversations with the ...

Although a bit ancient (2009), I had the opportunity to get an used copy of “Masterminds of Programming: Conversations with the Creators of Major Programming Languages” (ISBN 978-0596515171). This is a set of interviews with people who designed and/or implemented languages in a broad sense: programming language but also UML, etc. Depending on the interviewee, [...]
