Princeton Tec Headlamp Manual - vrcworks.net

The Aurora LED headlamp is one of several Princeton Tec lights that I tested out, and I liked it a lot. It has three small LED bulbs that are very bright as LED lights go. The lamp is on a "hinge" that allows it to point straight ahead, straight down, or somewhere in between. It can be loosened or tightened with a mini screwdriver.

Princeton Tec Aurora Headlamp - Huntinfo

This is one of my favorite headlamps. It has a quality build and is bright. I use rechargeable cr123 so the batteries are not expensive.

I have had this Princeton Tec Aurora light (in headband form) since 2003. It served me extremely well in ordinary use -- hiking, camping, fishing -- until July 2009, when it inexplicably would not turn off. Despite fiddling with the battery connections, the problem persisted. (Opening the battery cover, by the way, required sturdy use of a coin ...
