Retrotopia is an important work but one that is deeply flawed. The sociologist’s rationale, for instance, can be crudely reductive: he too seems holed up in his comfort zone, from whence all ills...

Retrotopia review: A heavyweight thinker’s flawed last work

With his novel Retrotopia, John Michael Greer seeks to challenge the perceptions most people have of technology. His aim is partly to spur awareness about what “technology” actually is, since we’re so used to seeing it equated with electronic gizmos that we tend to have a limited sense of it.
