Source: Harvard Business School Describes the role of business development (BD) managers in technology companies, detailing the following: 1) BD managers' key responsibilities at each step in the process of creating a partnership agreement, 2) how the nature of the BD function evolves as a technology startup matures, and 3) the attributes of effective BD managers.

The Business Development Manager - Harvard Business Review

In a 1992 article for Harvard Business Review, HBS professor Christopher A. Bartlett and co-author Sumantra Ghoshal tackled the question, "What is a Global Manager?" Their answer then was that "there is no such thing as a universal global manager." Indeed, multinationals required three kinds of specialists: business managers, country managers, and functional managers, with a group of senior ...
