Moving innovation to scale.... Posted July 23rd, 2020 by John Bessant & filed under Article. We spend a lot of time worrying about the 'front end' of innovation - how to create new business models around products and services. But what happens when the project succeeds, and the new product or service is launched?

Moving innovation to scale.... | Innovation Portal

However, gradually the vector of scientific research in this field is shifting towards considering together the innovation and investment activities of organizations and aspects of its formation, which is reflected in the works of the following scientists (Grinold & Kahn, 2000; Maringer et al., 2016; Tidd & Bessant, 2014).
