William Gay’s Twilight has been unread on my Kindle for almost a year now. This is the last of his three books I’ve read and I didn’t have the nerve to end my journey until now. A spectacular and ultra creepy story of an undertaker misbehaving and the ultimate revenge chasing through the hidden bowels of the mysterious Harrikin - woods I would not like to find myself lost within.

Gay’s novels take the shape of coming-of-age stories. His three novels depict young idealistic boys that turn ...
