List of Volkswagen Group engines - Wikipedia

If you're looking for the original VW Beetle engines, then look for flat-four engine designs. These H4 use a four-cylinder piston engine that is still used in the newer VW Beetle models. Beetles manufactured at the end of the 1950s used water-cooled engines, which were later upgraded to coincide with the new crankshafts used in models between 1950 and 1960.
