Ultimately, Zen Buddhism offers practitioners ways to heal their hearts and minds and connect with the world. These ways have differed over time and from culture to culture. In medieval Japan, for example, Zen monks served as doctors to the poor, doing out medicine and magic talismans, and as ministers, offering funerals and memorial services. Today in the West, many practitioners come to Zen looking to gain peace of mind and mental clarity through meditation.

According to iFi, even the way the Zen Phono switches between settings has been engineered to ensure sonic transparency. It's handled by a microcontroller that only 'wakes up' when a setting is changed to avoid any sonically deleterious electronic noise. The iFi Zen Phono is available now, priced at £149 (\$149 / AU\$239). MORE:
